

Greetings High School School Families,

I am excited for the start of a new school year! It will be great to see the students face to face after the challenges of these last several months. This year we will continue to work toward our school-wide learning goals of becoming people who Learn, Love, and Lead.

A word about safety...

For the safety of our whole community, we continue to monitor the local health situation and will work to allow students to learn as they are best able while being mindful of the safety and health practices given to us by our governmental authorities. Students need to take their temperature at home before boarding a school bus or arriving on campus. Their temperature will be taken again before boarding the bus or entering campus and again before lunch. If a child is unwell, please keep them home during this sensitive time. We will be wearing face masks at school so be sure to send them an extra if one breaks or is unfit to wear. Masks will not be worn during PE or times when highly physically active, rather students will be in places with high airflow with physical distance. Students will also be reminded to clean their hands often and an ample supply of hand sanitizer is available for their use. You are welcome to send some along with your child.

In preparation for school starting next week, please send the following things with them when they begin classes next Tuesday, September 1.

- Laptop computer
- Charging cord(s)
- Writing tools - Pencils and erasers
- Some paper or a notebook
- Water Bottle (with good lid)
- Face mask and a spare
- Lunch Card
- Money for lunch card (can be paid by WeChat through powerschool)

A stylus is welcome but not necessary and they can bring a snack to eat during our morning break time.

Students can see their schedules on PowerSchool and have been encouraged to make any changes over these last three weeks. Any further changes should be made by the end of the first week of school. It is encouraged that students and parents review schedules together.

Warmly,

Mr. Delzer
Secondary Principal
